COLORADO TEACHING

'08-Ongoing Colorado's Finest Alternative High School (CFAHS) Englewood, CO

Technology Teacher & Network Administrator

Serving a dual role as a technology teacher and as a network administrator at this campus that features over 200 newer-model Macintosh computers and two Mac servers. My original curricula are online at <http://chrsvandyke.com> (click on the Sitemap for all pages) and include classes on Careers, Digital Photography, GarageBand and Podcasting, Linux & Open Source Software, Web Page Design, Programming in the Scratch Language, and Multimedia Presentations. A portion of my day is also spent training teachers, supporting their use of technology, and updating/troubleshooting client computers and servers.

'07-'08 Middle School Technology Instructor Aurora, CO

Kidstek Instructor – North and South Middle Schools

Creating and implementing original technology curriculum in communication (e-mail, website creation, avatars), animation, and video (stop-motion, storyboarding, editing in MovieMaker), and programming (interactive stories and games using MIT Scratch). Curricula and resources (selected freeware titles) online at <http://kidstek.weebly.com>.
